# CLINICAL SERVICES

The Scanlan Center for School Mental Health is Iowa's hub for school-based mental health research, training, professional development, and clinical services. Our work supports the social, emotional, behavioral, and mental well-being of students and educators across the state.

### What We Do

The Clinic increases access to mental health care for PreK-12 students, educators, and school staff by:

- 03** *Training future school mental health professionals*

### Let's Work Together

The Clinic collaborates with:
