We are now accepting applications from Iowa public school districts for our [Mental Health Training Fellowship for Paraeducators](#). Fellowship Requirements

- Selected paraeducators will complete 3 in-person [Imagine Iowa](#) training blocks followed by enrollment in a digital platform for additional content/activities/coaching to meet licensure credit requirements (15 hours total = 1 licensure credit).
- [Imagine Iowa](#) is an evidence-informed curriculum designed to support educators and K-12 stakeholders to improve their knowledge, skills, and attitudes about mental health. This curriculum will provide the opportunity to engage with topics such as mental health literacy, immediate crisis response, and advocacy, all of which will create an atmosphere of inclusion and wellness in classrooms and schools.
- The in-person training will take place in Des Moines on October 27, November 3, and December 1, 2023. The

Funding Distribution

- Districts will receive \$7,000 on November 1, 2023. These funds must be used to support all expenses associated with paraeducators attending the 3-Saturday in-person trainings in Des Moines.
- The remaining \$8,000 will be dispersed as paraeducators successfully complete each of the 4 parts of the program. Each of these \$2,000 payments will be distributed to the school district, and the district will, in turn, be responsible for transferring the entire \$2,000 to the paraeducator who completed that part of the program.
